

Saltash Garden Group

First and foremost you do not have to be a gardener to join this group, an appreciation and interest in gardening & gardens is all that is needed. We enjoy visiting gardens trying to get inspiration for our own little havens.

Meeting on 1st Tuesday of the month we visit beautiful gardens near to home or further afield, using a local mini-bus for transport. The visits vary from just a couple of hours to a full day and the gardens tend to be National Trust or National Garden Scheme. During inclement months we sometimes have a speaker/ plant swap.
